

Premium Lift Systems

## Hydraulic Tap-In Kits

Part Number	Applications	Components
5100-5151	Single Lifter	Single Diverter Valve with Mounting Bracket (1) Single Hand Valve with Mounting Bracket (1) Fitting Assortment Hose Assortment
5100-5172	Single Lifter (no hoses)	Single Diverter Valve with Mounting Bracket (1) Single Hand Valve with Mounting Bracket (1) Fitting Assortment
5100-5155	Single Lifter (no hoses, no fittings)	Single Diverter Valve with Mounting Bracket (1) Single Hand Valve with Mounting Bracket (1)
5100-5179	Single Lifter (Heil F4000 / F5000)	Single Diverter Valve with Mounting Bracket (1) Single Hand Valve with Mounting Bracket (1) Fittings Required Hoses Required
5100-5183	Single Lifter (GTL / GRL)	Single Diverter Valve with Mounting Bracket (1) Dual Hand Valve with Mounting Bracket (1) Fitting Assortment Hose Assortment
5100-5168	Single Lifter w/ Vertical (sequence valve)	Single Diverter Valve with Mounting Bracket (1) Single Hand Valve with Mounting Bracket (1) Sequence Valve with Mounting Bracket (1) Fitting Assortment Hose Assortment
5100-5157	Single Lifter w/ Vertical (sequence valve) (no hoses, no fittings)	Single Diverter Valve with Mounting Bracket (1) Single Hand Valve with Mounting Bracket (1) Sequence Valve with Mounting Bracket (1)
5100-5171	Single Lifter w/ Vertical (dual hand valve) (no hoses, no fittings)	Single Diverter Valve with Mounting Bracket (1) Dual Hand Valve with Mounting Bracket (1)
5100-5152	Dual Lifters	Dual Diverter Valve with Mounting Bracket (1) Single Hand Valves with Mounting Brackets (2) Fitting Assortment Hose Assortment
5100-5156	Dual Lifters (no hoses, no fittings)	Dual Diverter Valve with Mounting Bracket (1) Single Hand Valves with Mounting Brackets (2)
5100-5180	Dual Lifters (Heil F4000 / F5000)	Dual Diverter Valve with Mounting Bracket (1) Single Hand Valves with Mounting Brackets (2) Fittings Required Hoses Required
5100-5167	Dual Lifters w/ Verticals (sequence valves)	Dual Diverter Valve with Mounting Bracket (1) Single Hand Valves with Mounting Brackets (2) Sequence Valves with Mounting Brackets (2) Fitting Assortment Hose Assortment
5100-5158	Dual Lifters w/ Verticals (sequence valves) (no hoses, no fittings)	Dual Diverter Valve with Mounting Bracket (1) Single Hand Valves with Mounting Brackets (2) Sequence Valves with Mounting Brackets (2)
5100-5161	Rail Unit Single Lifter	Single Diverter Valve with Mounting Bracket (1) Fitting Assortment Hose Assortment
5100-5165	Compactor Single Lifter	Priority Flow Control Valve (1) Single Hand Valve with Mounting Bracket (1) Fitting Assortment
5100-5182	Tank Line Add-on Kit (parts needed to connect tank port on diverter)	Hose Required Fitting Assortment
