

TASKMASTER HI-LIFT AND TASKMASTER SUPER HI-LIFT

Mobile Refuse & Compactor Cart Lifters

Versatile, Powerful, & Reliable

Bayne Thinline Premium Lift Systems. Lifting Ergonomics To New Heights.

The Taskmaster Hi-Lift and Taskmaster Super Hi-Lift cylinder lifts from Bayne® Thinline® Premium Lift Systems was designed for the hauler who is looking for an economical, quality-built cart lifter. In addition to side-load collection vehicles, this series of Taskmaster lifts can be mounted on a stationary frame or compactor to offer a safety-conscious solution for a wide variety of material handling applications.

Taskmaster Hi-Lift & Taskmaster Super Hi-Lift Features:

- Excellent for side-load and compactor applications (not compatible with rear-loaders)
- Sweeping action provides a greater “pick-up” envelope for lifting carts on uneven terrain
- Dumps well inside hopper to prevent spillage
- Composite bearings eliminate the need for greasing
- Non-adjustable hook drive mechanism automatically secures cart during dump cycle
- Mounting-plate kit for bolt-on applications
